

Youth Week 2022

CELEBRATE WITH A FILM EVENT

Film Outreach Australia provides film programs to venues around Regional Australia, including regular screening programs, film festivals, and special screenings to help celebrate important community events throughout the year like Seniors Week, NAIDOC Week.....and Youth Week!

Working out of Coffs Harbour, we understand regional communities and regional audiences, having founded and developed the Screenwave International Film Festival (SWIFF) - Australia's largest regional feature film festival.

To celebrate Youth Week 2022, communities are invited to host their own screenings of [SWIFF's](#) Nextwave youth film program. It is a curated 90 minute program of short films made by young Australians.

Councils and community organisations wanting to host their own screenings can purchase our market-ready program, complete with a marketing and publicity kit, creative tools, event ideas, screening tips and all film licensing and materials organised on your behalf. We provide all the tools at your finger tips to ensure a successful screening.
